## KENTUCKY DERBY FESTIVAL FOUNDATION FACTS

Since its inception in 1998, the Foundation has raised more than \$500,000 to support over 40 other non-profit agencies and charitable causes.

Averages raising over \$150,000 through the Marathon/miniMarathon Charity Module benefiting charities throughout Metro Louisville.

Over the past five years, the Foundation has donated \$25,000 to the JCPS Every1Reads program. Every1Reads has set a goal of having every student reading at their grade level by the time they graduate from high school.

Annually impacts 1,000 Kentucky students through educational programs like the Academic Challenge, the largest quick-recall tournament of its kind in the nation.

Preserves and documents the history of the Kentucky Derby Festival through a museum exhibit at the Kentucky Derby Museum and donating archives to the U of L Archives and Records Center.
